

Hetvi Sheth

AI/ML Enthusiast | Deep Learning & Computer Vision Developer | Hackathon Builder

Ahmedabad, Gujarat, India | your.email@example.com | +91-XXXXXXXXXX

LinkedIn: linkedin.com/in/hetvi-sheth-4116a3346

Professional Summary

Passionate Computer Engineering student focused on Artificial Intelligence, Machine Learning, Deep Learning, and Computer Vision. Experienced in building real-world AI solutions through hackathons and personal projects, including flood detection systems and AI-powered travel planning platforms. Strong interest in research, innovation, and impactful problem-solving.

Education

Bachelor of Engineering in Computer Engineering

[Your College Name] — [University Name]

Expected Graduation: 20XX

SPI/CGPA: X.XX/10

Relevant Coursework: Artificial Intelligence, Machine Learning, Deep Learning, Database Management Systems, Data Structures & Algorithms, NLP, Computer Networks

Technical Skills

Programming	Python, C++, Java, JavaScript, SQL
AI / ML	Machine Learning, Deep Learning, NLP, CNN, Swin Transformer, YOLO
Libraries	PyTorch, TensorFlow, OpenCV, Scikit-learn, NumPy, Pandas
Tools	Git & GitHub, MongoDB, Firebase, Docker, AWS Basics

Projects

RAINWISE V3.1 | Real-Time AI for Flood & Predator Threat Detection

- Developed an AI-powered real-time flood monitoring and threat detection system.
- Used deep learning and computer vision for flood segmentation and wildlife detection.
- Focused on solving monsoon-related urban safety challenges.
- Optimized model performance using IoU-based evaluation.

Travia / Traveloop | AI-Powered Travel Planning Platform

- Built during the Odoo Hackathon within 8 hours.
- Implemented AI itinerary generation, budgeting, and map integration.
- Designed a premium and responsive user experience.

Advanced Deep Learning Work

Flood Segmentation using Swin Transformer

Worked on flood image segmentation using Swin Transformer-based deep learning architecture. Trained and optimized segmentation models using IoU metrics and custom datasets.

Certifications

- AWS Academy Certification
- Hackathon Participation Certificates
- AI/ML Online Courses

Achievements

- Participated in AI-focused hackathons and innovation events.
- Built multiple real-world AI and deep learning projects.
- Strong interest in research and emerging AI technologies.

Soft Skills

Problem Solving | Team Collaboration | Communication | Innovation & Creativity | Fast Learning

Languages

English | Hindi | Gujarati
